

1. Title of research

Promoting and improving the NLOAccess program for the nuclear physics community

2. List of participants with full name, position, affiliation, e-mail

Yoshikazu Hagiwara, Yukawa Institute for Theoretical Physics, postdoc, hagiwara@ruby.scphys.kyoto-u.ac.jp (contact person)

Nodoka Yamanaka, University of Massachusetts Amherst, postdoc, nodoka.yamanaka@riken.jp

Hiroyuki Noumi, Research Center for Nuclear Physics, Professor, noumi@rcnp.osaka-u.ac.jp

Jean-Philippe Lansberg, Institut de Physique Nucléaire Orsay, permanent CNRS researcher, lansberg@ipno.in2p3.fr

Carlo Flore, INFN-University of Cagliari, flore, flore@ipno.in2p3.fr

3. Period of research

08/2019 to 06/2021

4. Main location of collaboration implementation

Research Center for Nuclear Physics, Osaka University, Osaka, Japan

Institut de Physique Nucléaire Orsay, Université Paris-Sud, Orsay, France

5. Publication list including any kinds of papers, talks and so on.

03/2020 Discussion of the NLOAccess project at France.

Due to the COVID19, the visit of Dr. Carlo Flore to RCNP for discussion and lecture about the NLOAccess project in Japan was cancelled.

6. Description of the outputs.
