

# Final Circular

## The 10th International Workshop on the Physics of Excited Nucleons (NSTAR2015)

May 25(Mon)-28(Thu), 2015

Icho Kaikan (Pharmaceutical Information Center), Suita Campus, Osaka University  
Osaka, Japan

This is the final circular. Below we list briefly several important items. Please do not miss them and we look forward to seeing you in Osaka.

## 1 Prepare your travel to the workshop venue

Check your travel plan with our workshop web-site:

<http://www.rcnp.osaka-u.ac.jp/~nstar15/>

The convenient stations to the workshop venue are

- **Handai-Byoin-Mae (Osaka University Medical Hospital)** of Osaka monorail, walk of 10 min or less to Icho Kaikan. This is most recommended, see the map on the last page.  
<http://www.osaka-monorail.co.jp/eng/index.html>
- **Kita-Senri** of Hankyu line, use taxi or 25 min walk to Icho Kaikan  
<http://www.hankyu.co.jp/en/>

For time table of train in Japan, the following is convenient

The weather in Osaka in May is **the most pleasant in the year**. You can check it at your favorite weather site.

## 2 During the workshop

- **Registration**  
Registration desk starts on May 25 (Mon) at **8:45am** and open during the conference duration. Registration fee can be payable only by cash in Japanese yen. Please prepare **25,000 JPY (10,000 JPY for students)** when you register. This includes banquet fee of 6,000 yen.
- **Scientific session**  
Scientific sessions start **at 9:30am** everyday in the morning. The program is available from our home page.
- **Lunch**  
There are several places for lunch including cafeteria and restaurants. There are also shops of COOP (Seikyo) nearby the workshop place, and a convenience shop in the hospital.
- **Social events**  
We will have welcome party on 25th(Mon) and banquet on 27th(Wed) soon after the sessions. The location is Restaurant Minerva in the same building of the workshop. In

the banquet, we will provide local beer from Osaka and Sake from Kobe. Accompanying person for the banquet on 27th will be subject to the payment 6,000 yen/person.

For welcome party and banquet, **contributions of your wine or spirits are welcome!**

### 3 Wireless LAN

Osaka University has a world-wide **eduroam** network. If you have your eduroam account, this is the most convenient. To have it available, ask computer/network staffs of your institution. Otherwise, we will provide our guest account.

### 4 Presentations

**Your presentation can be made with your own PC (recommended)**, though we prepare one PC at each conference room. Because of this we ask you to come to your conference room sufficiently prior to your presentation, and check the connection. **If you wish to use our PC** which are all Apple notebooks, please prepare your **pdf file ready in your memory stick**.

### 5 Post discussions

On May 29th (Fri), we will have informal post workshop discussions at RCNP. Two talks will be given by Craig Roberts and Yoich Ikeda. We would like to discuss physics of hadron ingredients for nucleon resonances and exotics including heavy hadrons. The discussions will start at 10:00am, one talk&discussion in the morning and another in the afternoon, till around 2:30pm.

### 6 Proceedings

The proceedings will be published. Details will be announced during the workshop.
