

Position opening: Associate Professor

Director RCNP
Takashi Nakano

Research Center for Nuclear Physics (RCNP) at Osaka University has an opening for an associate professor. We appreciate applications by strong candidates.

- 1) Position: An associate professor
- 2) Research field and mission: The successful candidate is expected to play a leading role in the experimental study of neutrino properties and will work on CANDLES project where commitment in development of ultra-low background technique is expected.
- 3) Start of the term: As early as possible after official acceptance.
(At the latest, March 31 in 2018)
- 4) End of the term: March 31, 2019.
After the term, there is a possibility that the employment may be extended for a maximum of five years until March 31 in 2024 as a specially appointed associate professor.
- 5) Salary: Fixed by the Osaka University standards.
- 6) Social securities: Health insurance, pension, accident compensation insurance
- 7) Dead line of application: Sep 29 (Fri.), 2017 (12:00 p.m. Japan Time)
- 8) Method of screening: Based on application documents and interview.
- 9) Application materials:
 - (1) Curriculum Vitae
 - (2) Brief description of research career/experiences
 - (3) Publication list
 - (4) Copies of major publications (fewer than 5)
 - (5) Research plan at RCNP if employed
 - (6) One recommendation or one reference letterSend all the application materials (1)-(6) by regular mail to
Director Professor Takashi Nakano
Research Center for Nuclear Physics (RCNP) Osaka University
Mihogaoka 10-1, Ibaraki, 567-0047, Japan
Please indicate on the envelope in red "Application material, Associate professor".
- 10) For information and contact:

Director Professor Takashi Nakano
