

Job opening: Research Associate

NAKANO, Takashi
Director of RCNP

The Research Center for Nuclear Physics (RCNP) at Osaka University has an opening for postdoc positions (Research Associate) starting from the next fiscal year (April, 2024~). We are inviting applications from strong candidates.

1. Available positions: A few Research Associates
2. Employer: RCNP
3. Working place: Suita Campus, Toyonaka Campus, J-PARC, SPring-8.
4. Research Fields:
Experimental and theoretical research in nuclear physics and related fields, and research of accelerator science conducted at RCNP. Research being conducted by the Particle and Nuclear Physics Group of the Graduate School of Science as a joint project with RCNP is also included.
5. Eligibility: either 1) or 2) in the following
 - 1) Experimental or theoretical nuclear physicists or accelerator physicists with a Ph.D. degree as of April 1, 2024, or those who are certain to receive their Ph.D. degree by April 1, 2024.
 - 2): Experimental or theoretical nuclear physicists or accelerator physicists with research capabilities equivalent to Ph.D. holders
6. Term and contract: 1 to 3 years starting from April 1st, 2024 (To be determined by screening)
7. Probation Period: 3 months
8. Working schedule:
5 days a week (Monday through Friday, excluding holidays) for up to 30 hours per week, to be determined by selection. Actual working days and hours are negotiable.
9. Working hours:
Negotiable (e.g., 10:00 to 16:45 (45-minute break) for a 5-day work week)
10. Salary and treatments:
In the case of 1): 2,764 yen per hour, in accordance with the "Osaka University Part-time Staff (Part-time Education and Research Staff) Salary Regulations."
In the case of 2): 2,054 yen per hour, based on the "Part-time Education and Research Staff (Part-time Education and Research Staff) Salary Regulations of Osaka University."
11. Allowance:
Commuting allowance and overtime allowance will be provided.
Bonus and retirement allowances are not provided.
12. Social securities (health insurance, pension, accident compensation insurance)

depends upon working hours.

13. Deadline: January 25 (Thu), 2024

14. Application materials:

- (1) Curriculum vitae
- (2) Publication list. The important publications in (3) must be indicated
- (3) Copies of important publications (up to three)
- (4) A brief description of your research experiences
- (5) A brief description of your research plans
- (6) Two reference persons (names and contact e-mail addresses must be described)

15. Sending method

Send the application materials by e-mail to

apply-postdoc_AT_rcnp.osaka-u.ac.jp (_AT_ should be replaced with @)

The subject of your email must be "Application of your last name" (Example: Application of Honda), and a single PDF file must be attached including all the application materials from (1) to (6). The deadline of the application is January 25th, 2024.

16. More information and contacts:

Experimental Nuclear Physics:

Hiroyuki Noumi, noumi_AT_rcnp.osaka-u.ac.jp

Nori Aoi, aoi_AT_rcnp.osaka-u.ac.jp

Takatsugu Ishikawa, ishikawa_AT_rcnp.osaka-u.ac.jp

Atsushi Tamii, tamii_AT_rcnp.osaka-u.ac.jp

Theoretical Nuclear Physics

Atsushi Hosaka, hosaka_AT_rcnp.osaka-u.ac.jp

Accelerator Science

Mitsuhiro Fukuda, mhfukuda_AT_rcnp.osaka-u.ac.jp

17. About RCNP:

https://www.rcnp.osaka-u.ac.jp/index_en.html

18. Others:

Osaka University promotes gender equality and welcomes applications from woman researchers. Please refer to Work Regulations for National University Corporation Osaka University Part-time Staff (Temporary Part-time Education and Research Staff) described in the following website:

https://www.osaka-u.ac.jp/en/guide/publications/kitei_shugyou.html

The above regulations are as of this job opening.

Smoking is prohibited inside the campuses in principle.
