[Interview Schedule]
Date: June 20nd (Tue.), 2023
Meeting place and time
      Location: "Meeting RoomA129" 1F, Building A of Graduate School of Science
      Time: Individually communicated
Interview time length: 12 minutes in total per applicant, including 5 minutes of the presentation
                on the research plan and 7 minutes of Q & A.

Caution 1: **"Examination Admission Slip" is required for the identification at the interview date. Please bring it with yourself and present at the reception.**

Please send your presentation material by **AM9:00 on June 19th (Mon.)** to info-pqba@rcnp.osaka-u.ac.jp by NII Filesender.
The file must be up to 6 pages of **Powerpoint format or PDF format** including a cover page on which your research title and your name should be shown.

You must use the computer that we prepare for the presentation. It is prohibited to bring documents or other paper materials for the interview into the interview room.
Note: Please make sure that the presentation file is displayed properly on Windows 10 Pro and Office 2019 before you send the file, especially when it is made by Mac computer.

You can add back up slides for Q&A for the interview. The slides must be up to 5 pages, and can be used only at Q&A time. Your back up slides must be sent in the same file as the presentation material by NII Filesender.
